## Neighbourly Care

*"Bringing Communities Together"*

Digital  
Inclusion  
Project

Things are changing in the world of communication as more information and access to services go online.

- Do you feel confident using technology?
- Would you like to keep in touch with friends and family?
- How about getting easy access to vital services and information?

We are here to help!

*Join our Digital Inclusion Programme  
A warm Neighbourly Care welcome awaits you*

### **We offer:**

- A free device to help you connect with the internet and others.
- 6-weeks free support and training where you can learn at your own pace with full support, as part of a group or as an individual.

### **Our weekly support includes:**

- Using a simple device
- Sending and receiving email
- Connecting with friends and family
- Using the internet and websites
- Using Council, NHS and other services

You do not need any experience of using technology to take part

Not fluent in English?  
We can also provide support in Hindi, Nepalese, Punjabi and Somali languages.
